(Dissemination L2 Approved Partners and First Responders)

Hello INTERSECT partners,

By now you have received the update that was sent out to all of our INTERSECT partners at the P3 level.

Please note that we will have a more fulsome discussion at the INTERSECT monthly meeting tomorrow with our approved partners and first responders. I will be sending out an update to the meeting to extend it by 30min.

As a reminder, if there are specific issues of concern that would impact public safety as it relates to your organizations, please contact the Ottawa Police Liaison Team (PLT) at this email address: PLT@ottawapolice.ca. The PLT will endeavour to address the issues in an attempt to mitigate impacts and INTERSECT will share notifications in relation to issues identified as having impacts to 2 or more INTERSECT partners.
